Dear Mr. Huang:

Enclosed is a copy of a filing receipt received from the Patent and Trademark Office regarding the above-identified patent application. This receipt confirms the serial number and filing date previously received.

Also enclosed is a copy of a "Notice to File Corrected Application Papers" with a due date of July 20, 2004 for response. As you know, you prepared the application yourself and we just filed it in the PTO for you. You initialed some last minute changes to the claim numbering. Now, the PTO is requiring substitute specification, claims, and abstract. We do not have any copy on disk so you can either send us a new printout of the application with clean claims, or a disk copy.

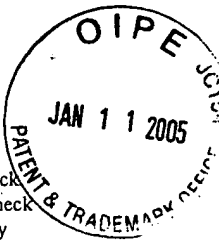

We will contact you when we hear further from the Patent and Trademark Office regarding this application.

Very truly yours,

Dear Mr. Huang:

To date you have not responded to our reminders regarding a response for the above-identified patent application. **This is our last reminder.** The third and last month extension will expire on October 20, 2004. Patent Office fees will increase effective October 1, 2004 and the fee for a three-month extension of time will become \$490. If a response is not filed by the last extension due date, the application will be considered abandoned.

Enclosed is an accounting sheet detailing your unpaid invoices. We would appreciate receiving payment before we do any more work for you.

Filing a response takes time. If we do not hear from you by October 11, 2004 we will assume that you do not want to file a response, and we will then consider this case closed.

Very truly yours,
